# WHY CHOOSE FAIR HAVENS?

## About Us

Located just north of Toronto Ontario, Fair Havens Ministries spans over 200 acres nestled along the scenic Talbot River. Fair Havens offers a wide variety of accommodations, meals, and meeting space styles, to meet the individual needs of each group. Our Group Sales Team is happy to assist in the design and planning of the retreat process, to make *your event a success!*

## Fair Havens Campus

Adults, youth, and families alike can enjoy their preferred style of accommodations, including lodges, cabins, motel and hotel-style accommodations. Our meeting spaces also offer different venues and views for every group to enjoy; hosting intimate board meetings, up to and including regional conferences in our Irwin Chapel. Healthy and delicious meals are provided by our experienced Food Services Team in our Riverside Dining Room, served buffet-style service and front-of-house staff.

## Fair Glen Campus

Geared toward youth and other groups requiring an economical alternative, Fair Glen is the place for you! It is equipped with dorm-style (bunk beds) accommodation, and a meeting space exclusive for your group's use. Like Fair Havens Campus retreats, Fair Glen also offers buffet-style meals; however, guests are asked to assist in clearing tables.
