

DISCOVER OUR OUTDOOR EDUCATION PROGRAMS

ENVIRONMENTAL EDUCATION

Programs such as...

ANIMAL CRITTER SIGNS INVESTIGATION

Get equipped with binoculars & magnifying glasses to become wildlife detectives as you look for evidence of animal activity around the outdoor classroom.

Perfect for K-8!

INSTINCTS FOR SURVIVAL

Make connections to your science curriculum like the animal food pyramid, habitat requirements for survival and carnivores/omnivores/herbivores in this classic game of tag through the forest!

Perfect for 5-8!

STRONG & STABLE STRUCTURES IN NATURE

*Explore how wildlife build their homes on a guided nature hike. Learn the techniques of building a survival shelter & tying basic knots, then put your creativity & teamwork to the test by building a shelter to withstand the elements. **Grades 3-12***

10+ THEMED NATURE HIKES

*Connect to your science curriculum across Fair Havens 130 acre outdoor classroom with hands on learning experiences like **Soil Studies, Biodiversity, Habitat Hike, Invasive species & more!***

ADVENTURE EDUCATION

Programs such as...

ROCK CLIMBING & HIGH ROPES

*Have your students set personal goals & support each other to greater heights on our high ropes or rock climbing course! **(Grades 5-12)***

LOW ROPES & TEAMBUILDING

*Start your school year with a team oriented mindset through our uniquely challenging programs! **(Grades 5-12)***

CROSS-COUNTRY SKIING & SNOWSHOEING

Enjoy the great Canadian outdoors with a ski lesson or hike across the Outdoor Classroom with our full class set of equipment!

CANOEING LESSONS

*Learn paddling techniques and explore the Trent-Severn waterway with guidance from our ORCKA certified instructors! **(Grades 5-12)***

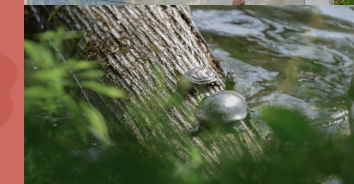

Voyageur Canoe Rides for Gr.2-4

For a complete list of our 30+ Outdoor Education Programs check out our website, or contact us!

Our Outdoor Educators

SEASON SPECIFIC

FALL OR WINTER

Fur Trade & Voyageurs

Learn about the voyageurs & fur trade history through this interactive presentation & resource trading game.

Pair with our canoe lesson, voyageur canoe ride, snowshoeing or Winter Dene Olympics

WINTER

Wilderness Fire-making

Learn how to responsibly gather campfire materials from the wild and successfully ignite a fire as a team, then enjoy a hot lunch together brought by sled in the forest!

SPRING

Maple Syrup Programs (Gr.K-5)

Wetland Wonders

Gear up with nets, buckets, ID sheets & magnifying equipment to explore the underwater diversity of our wetland

WHAT WE DO

We offer a unique blend of adventure and environmental education programs called Outdoor Creation Experiences

Our mission is to provide learning opportunities for students to experience nature in a personal way. Our programs will also grow student's leadership potential, self-confidence and teamwork.

HOW WE DO IT

Our programs strive to make intentional connections to:

1. Nature
2. Environmental Stewardship
3. People + Team Adventures
4. Curriculum

WHAT MAKES US UNIQUE

Our Outdoor Classroom includes a maple sugar bush, wetland, 4 hiking trails through forest/meadow habitats and a sheltered bay along the Trent Severn River.

These learning spaces offer unique opportunities like our Maple Syrup tours or Canoe Lessons not available at other outdoor education centres!
