"A fantastic place for kids to explore and enjoy God's creation through fun, unique experiences, while learning about how they can grow in their relationship with Him." Calvary C.S.

WHAT WE DO

We offer a unique blend of adventure and environmental education programs called Outdoor Creation Experiences.

HOW WE DO IT

Our programs make intentional connections to:

1. God
2. Creation
3. People
4. Curriculum

"It's beautiful to see how intentionally God is present in all aspects of the programming" CAIRN C.S. (Smithville)

WHAT MAKES US UNIQUE

Teaching environmental education from a Christian worldview; showcasing the purposeful design & intentional creativity God has woven into His Creation. Romans 1:20
